- Air Suspension

## DESCRIPTION

### 2025 Land Rover Defender 110 P300 S

Meet the SUV 2025 Land Rover Defender 110 P300 S Demo at JAGUAR THORNHILL in Richmond Hill, a like-new opportunity to get into a modern Defender with almost no kilometres. Finished in Black with a Black interior, this demo has only 186 km on the odometer, so it still feels fresh in every way. Built for Canadian roads and changing seasons, the SUV 2025 Land Rover Defender 110 P300 S Demo pairs everyday comfort with real capability. The automatic transmission keeps driving smooth in traffic, while the confident stance and practical shape make it easy to live with, day after day. A key highlight on this example is its Air Suspension. It helps the Defender adapt to different roads and loads, and it can improve ride comfort when pavement gets rough. It also adds a premium feel in daily driving, whether you are commuting through Richmond Hill or heading out of town for the weekend. FEATURES...
